

We, BerkshireFurs, operate a Zero Tolerance policy towards harassment. If you intend to attend our meets to harass an individual/s or the event itself you will be banned, removed from the premises and should it be deemed necessary to, reported to the local police. Ban decisions can be appealed by emailing info@berkshirefurs.org.uk however, should your appeal be denied no further appeals will be entertained.

No means no, stop means stop, do not pressure any staff be that Phantom Brewing Co or BerkshireFurs CIC into accepting gifts they do not want. This includes but is not limited to pressuring them to accept drinks/gifts that they do not want.

All BerkshireFurs staff wear a red BerkshireFurs T-Shirt, should you need to speak with one of us please do approach us at anytime during the meet or do so after the meet via our Telegram channel.

BerkshireFur meets are strictly for ages 18 and above with no exceptions to this, this is both for the safety of the meeting goers and the meet itself. While the venue itself is for 16+ we have taken the decision to restrict this to 18+ for both liability and legal reasons. ID is not required by the venue but for the sale of alcohol you will be required to have ID, it must be in date and valid otherwise the venue may ask you to leave.

Whilst all government restrictions and requirements over COVID19 have been lifted we ask that attendees follow common sense by not attending if you suspect you are unwell with COVID or any other illness. This is to prevent the further spread of such illness to those around you. We also ask you to respect the choices of other attendees if they choose to wear a mask in or around the meet venue.

It should go without saying anyone caught engaging in sexual activities within the venue will be ejected immediately and issued a life time ban along with the full co-operation of meet and venue staff with any police action.

Livestreaming at the meet is strictly forbidden, anyone caught livestreaming at the event will be ejected without any further discussion. This also extends to members of the media. Unless prior written permission has been given by the staff of the meet, no member of the press is welcome to attend the meet in any official capacity.

Please be mindful when taking photos, please ask permission before doing so if you do not know the person and do not demand someone allows you to take photos. Photography is not permitted in the fursuit changing area at any time, this is a changing area not a filming location. Anyone caught doing so will be asked to delete the images and to leave immediately.

Alcohol, soft drinks not purchased at the meet venue must not be consumed at the meet, the venue has a wide variety of drinks available to everyone. Doing so damages the relationship we have with the venue and will result in your ejection from the meet. On the subject of consuming alcohol, please drink responsibly. Failure to do so will result in your ejection from the venue and potentially from further meets.

Food however can be brought to the meet, you may also order food to the venue but we ask that you make yourself clearly available to your delivery service of choice at the main entrance or stay at your table if you have order an at table service from 7Bone, the venues food option, to prevent confusion and potentially your food item not being delivered.

Smoking/vaping is not permitted inside the venue, please do so outside of the venue and away from the entrance of the building.

The sale, use or solicitation of illicit substances is completely forbidden at both the meet and the venue itself. Anyone caught in breach of this will be reported to the local police and ejected from the venue, this is not up for discussion.

Please do not wear fetish gear to the meet, collars can be worn discreetly but no BDSM apparel please. Fursuit harnesses/collars are permitted so long as they are on the fursuit itself at all times, and stored away when not in use.

The Fursuit changing area is behind the pull up banner area, do not enter this area if you are not intending to change in or out of suit. This is not a socialising area and needs clear access for all attendees who do need this space. Do not place fursuit parts on the fans provided to move air around in this area, these are not for drying your fursuit parts. Furthermore do not adjust the speeds of them if you would like them adjusting please approach a member of the BerkshireFurs staff.

The Phantom Brewing Co operates on the Everyone Welcome Initiative - <https://everyonewelcomeinitiative.com/> which is a zero tolerance policy towards discrimination of people, please respect this at all times.
